

# Solar Power Bank

## Features

- The Solar Home System can be charged by solar energy
- Mobility function
- Green energy
- LCD control panel
- AC output, Socket
- For electric kitchen appliances usage

## Output time (1kWh, Battery Capacity 12V100Ah)

Output	Time
50W Light	20 hrs
100W TV	10 hrs
40W Fan	25 hrs

## Specifications

Input		Output	
PV Input	280W(72cell) x1	AC Output	220V *2 (3pin, Max 1000W)
		AC Output	220V *2 (2pin, Max 1000W)
Display	LED & LCD	Dimensions (HxWxD)	374x332x341mm
Operating Temperature	-10~40 °C	Indoor enclosure	IP20
Relative Humidity	Maximum 95%	Cooling	Fan
